Fall Semester Courses Begin August 27 Suitable for High School Students

Depending on availability, high school students can take college courses online or at Helena College, offered at times convenient for juniors and seniors. These courses are required in several Career Pathways and are scheduled August 27 through December 14. **High school students pay half tuition for *College Credit Only* or *Dual Credit*.**

General Education Courses

- ◆ *These courses fulfill requirements in several college programs, such as Associates of Arts or Sciences, which can be transferred as a block to the four-year programs of the Montana University System.*
- ◆ *The General Education Core Curriculum includes 6 credits in Natural Sciences, 3 credits in Mathematics, 3 credits in Written Communications, 3 credits in Oral Communications, 6 credits in Social & Psychological Sciences/History, 6 credits in Humanities/Fine Arts, and 3 credits in Cultural Diversity.*
- ◆ *Several College Writing, Literature and Mathematics courses are also offered as dual enrollment at high schools.*

General Education Courses generally transfer to other Montana colleges.

Courses that Apply to Specific Pathways

(Offered at times available to HS students)

Helena College has 61 career pathways with 8 high schools, and offers about 30 concurrent enrollment courses in 9 high schools, with over 630 students earning college credit from Helena College each year.

More high school students may be able to take advantage of this opportunity to earn college credit on campus or online, saving tuition dollars and getting a head start on their college degrees!

Because Helena College and **Carroll College** accept each others' credits, high school students can take advantage of both offerings to get a great head start on a college degree right here in Helena.
