Approve Minutes from 12/16/2020
- Minutes approved.

IDD Spring Meetings
- Wellness handbook available for Nursing, Gen Ed, and Trades
- Jessie Pate and Amy Kong would like to offer Teach Point Session.
- Provide spring updates in the MMM
- Encourage faculty to use the time before the semester begins to complete mapping by Feb. 7th.

Face Coverings
- Sandy will reiterate the MUS mask requirement at the next APC division meeting.

Gov’t Funding Spring 2021
- HC is slated to receive 1.4M. There will be fewer restrictions compared to the fall disbursement. Institutions may be able to use funds for revenue offset loss. (Final amount has not been finalized)
- The 342K HC student grant amount is over and above. (Final amount has not been finalized)
- An immediate priority is acquiring simulation equipment for the nursing program because students are not able to complete their clinical hours due COVID restrictions. The mitigation funds may help set up the simulation remodel and increase enrollment. As the plan develops, take into consideration the impact an increase in nursing students will have on the course offerings.
- Other priorities include classroom furniture pod upgrades to keep students separate and other plans.
Become an Alum
- An upcoming press release will spotlight the program and encourage people in the community to apply for the spring semester at HC.

Access Scholarships/Foundation
- $11K still available from the state for match. HC has until April to raise the funds.

Retirement
- Sandy Sacry is retiring January 20th. Deb Rapaport will be interim nursing director.

Graduation Speaker
- Cabinet will generate the list and submit it to the graduation committee.
- The students will pick the student speaker.
- Any suggestions from the list in the previous minutes?
- Dick Anderson may be a good choice because his company is well known and respected in the community. Sandy will check with Tammy Burke and Trades first.
- Beate Galda would be an inspirational choice. Ask Donna to create a video of her story for recruiting purposes.
- The ceremony is still undecided due to the current climate and change in the vaccination schedule.

Quottly
- HC has 20 students who registered for UM courses. Missoula College was able to offer a course that HC had to drop and students were able to pick up the course through Quottly.

FASFA
- FASFA is running 6% ahead from last year. Aid packets are delayed.
