

YouTube: Create Your Own Channels

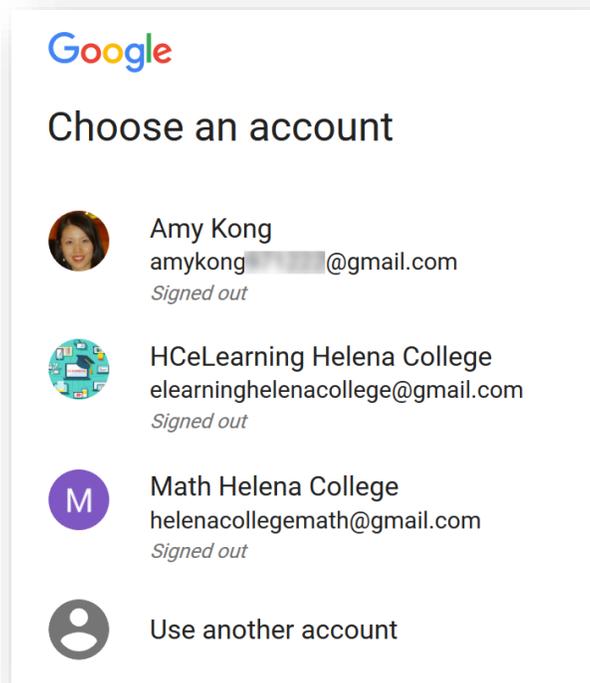

Learn how to create channels and playlists on YouTube for your students.

1. Go to YouTube and sign in

Head over to [YouTube.com](https://www.youtube.com) and click 'SIGN IN' in the top right corner of the page:

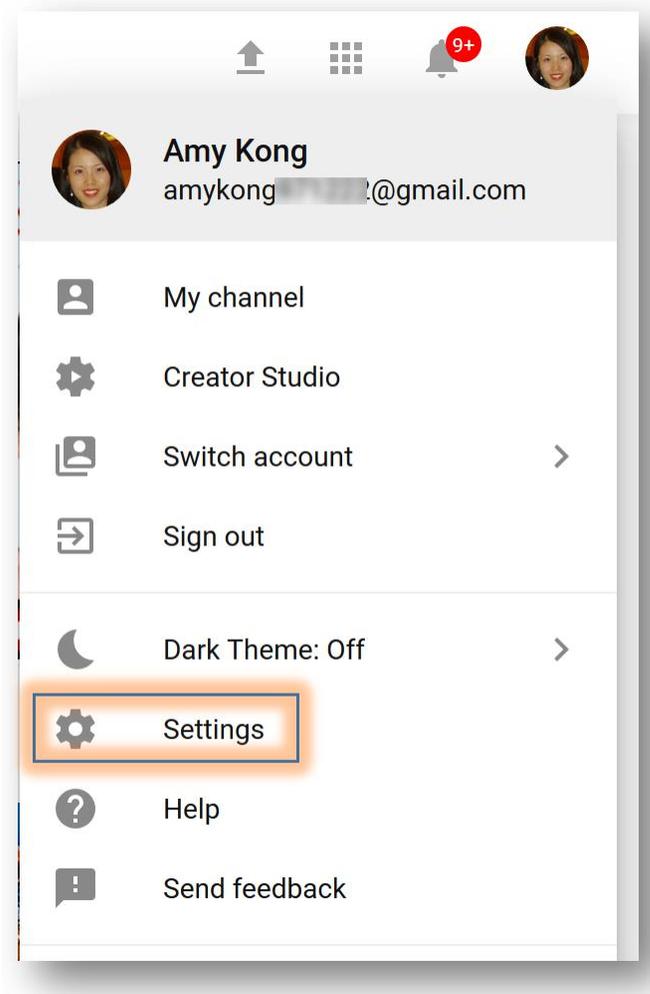

Then log in using the Google Account you'd like your channel to be associated with:

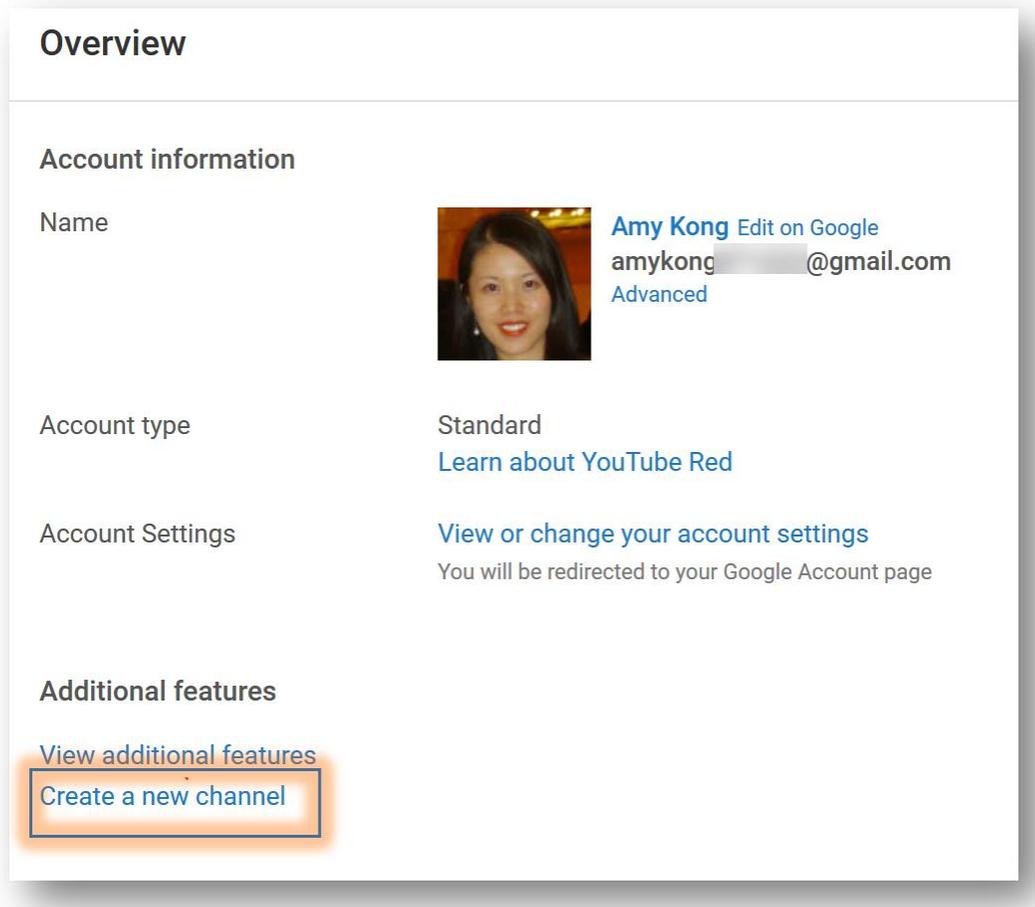

2. Head over to your YouTube settings

In the top right corner of the screen, click on your profile icon and then choose 'Settings'.

3. Create your channel

Under “**Additional features**”, you’ll see the option to “**Create a new channel**,” click on this link:

The screenshot shows the 'Overview' section of a Google Account. Under the 'Additional features' heading, the link 'Create a new channel' is highlighted with an orange box. Other visible options include 'View additional features', 'Account Settings', 'Account type', and 'Account information'.

Overview

Create a new channel	

Next, you’ll have the option to create a personal channel or a create a channel using a business or other name:

To create a new channel, create a Brand Account

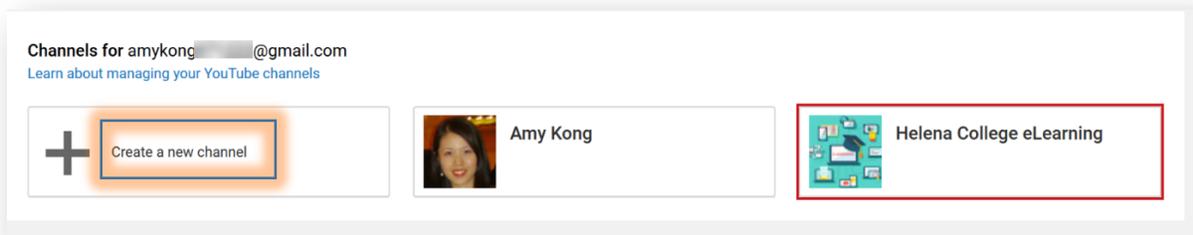

This Brand Account can have a different name than your personal account, for example a business name or another name that you choose.

4. Repeat the above steps if you want to create more channels:

5. Switch between channels:

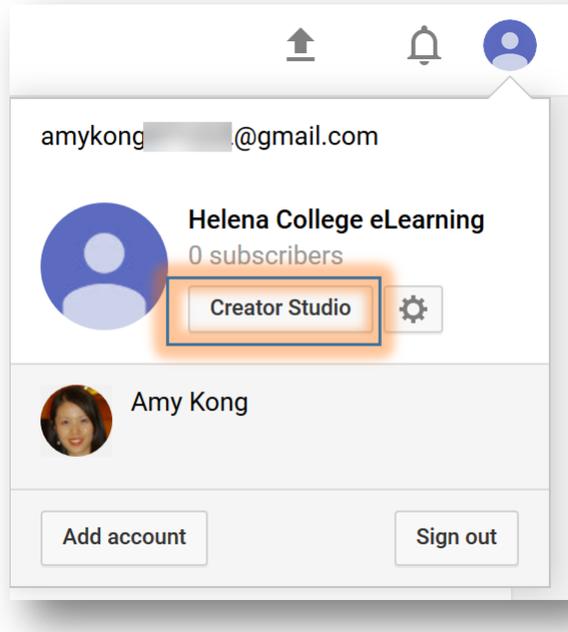

6. Upload videos onto your channel:

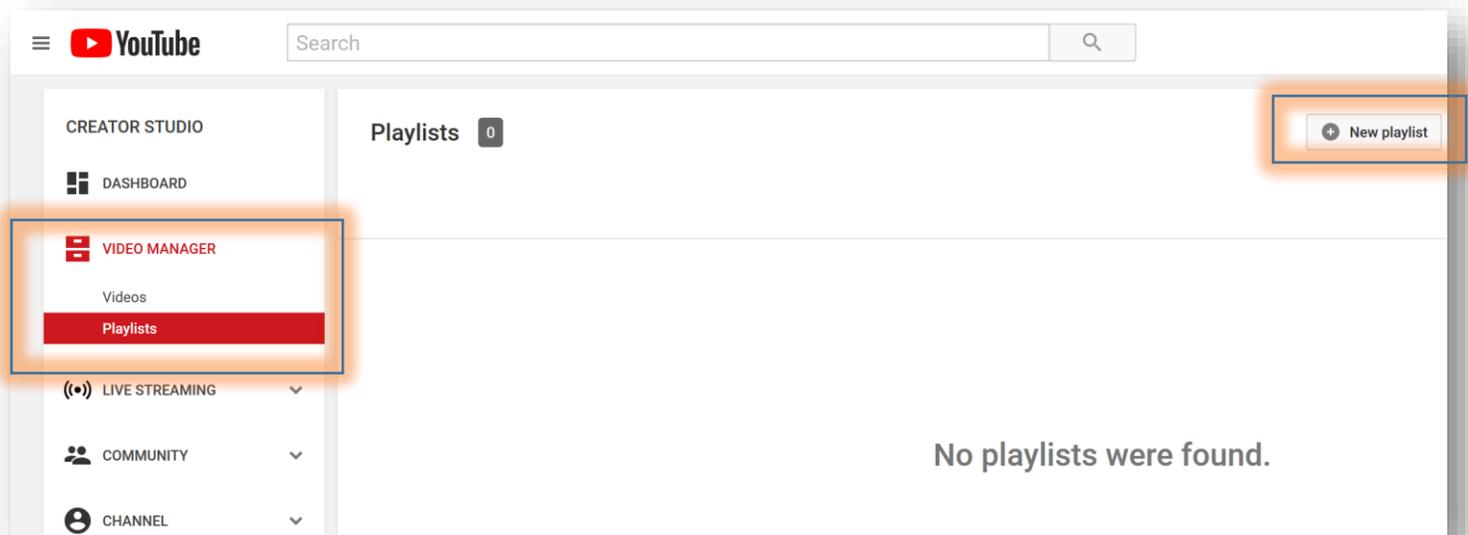

For Creating Playlists:

1. In the top right corner of the screen, click on your profile icon and then choose **'Creator Studio'**.

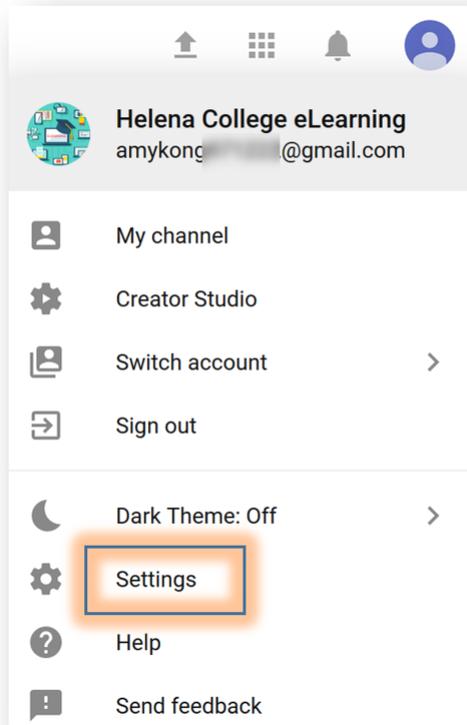

2. On the left, click **"VIDEO MANAGER"**, then **"Playlists"**.
Choose **"+ New Playlist"**.

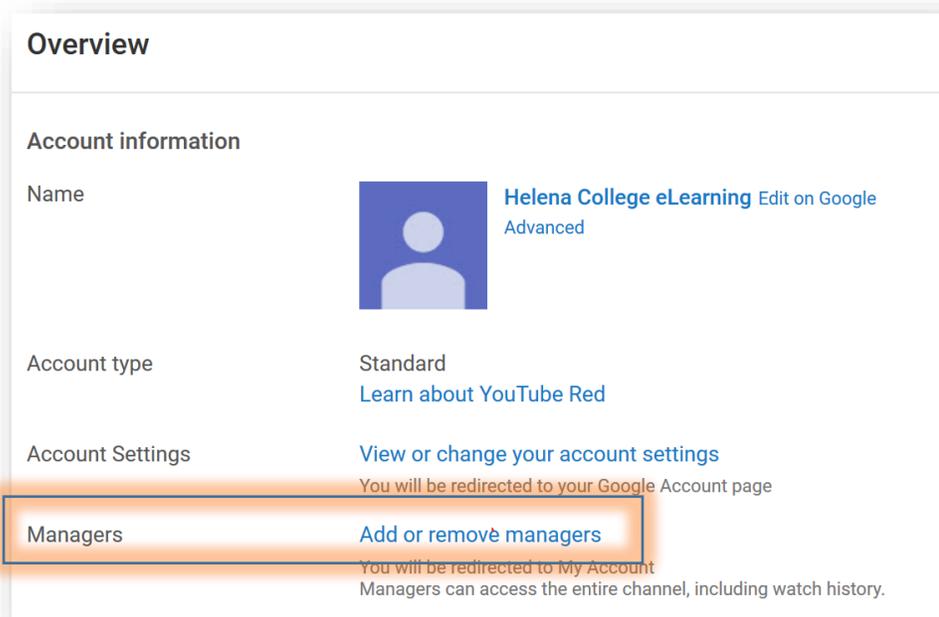

For Deleting a Channel:

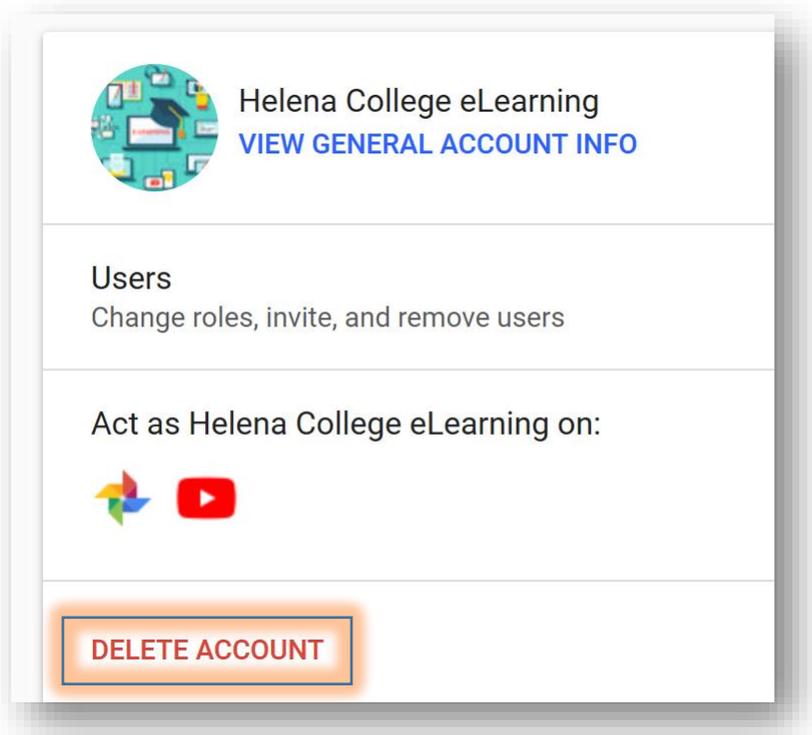

1. In the top right corner of the screen, click on your profile icon and then choose **'Settings'**.

2. Choose **"Add or remove managers"**.

3. Click **“DELETE ACCOUNT”**.
