The following information is from the Registrar’s Office regarding to turning in grades:

Please read the information below before you turn in your grades:

1. **Please do not leave a grade blank.** If you are unsure what to select after looking through the options contact the [Registrar’s Office](#) or your division chair to make a determination.

2. **If a student earned a grade of "F", through coursework or by not attending, you must include the last date of attendance.** The system is picky about the format of the last date. It must be entered as MM/DD/YYYY for the system to recognize it. Your grades will not be saved if you put in an F without the last date of attendance. Financial Aid uses this date to determine if the student needs to pay back some of their financial aid. Veterans Benefits also needs this date for their reporting.

3. **If a student never attended the class a grade of "NF" should be assigned.** If the student has ever been to class, even just the first day, please use option 2.

4. **If somebody is not on your roster, but they have attended class, please send an email with their grade to the Registrar’s Office** which will contact the student and let the student know what they need to do to earn credit for the course.

5. **If you are assigning an incomplete, the Incomplete Form must be signed and submitted to the Registrar’s Office.**

Grades are submitted through MyHC. If you have any questions about how to turn in grades please contact the Registrar’s Office, 447-6908.
