## Semester-by-Semester Example

Below is a semester-by-semester example of how a student could meet the general education core, A.S., and advising option requirements. This is solely for the purposes of an example. Students will work with an advisor to develop a degree completion path appropriate to their long-term academic and employment goals.

	Fulfills Requirement of:	Credits
<b>First Semester 16 credits</b>		
BIOH 104	1 <sup>st</sup> Natural Science course	4
COMX 111	Oral Communications	3
Math	Mathematics	3
WRIT 101	Written Communication	3
	1 <sup>st</sup> advising option	3
<b>Second Semester 15/16 credits</b>		
PHL 110	1 <sup>st</sup> Humanities & Fine Arts course	3
CHMY 121 & 122	2 <sup>nd</sup> Natural Science course	3/4
ECNS 203	1 <sup>st</sup> Social & Psychological Sciences/History course	3
	2 <sup>nd</sup> advising option	3
	3 <sup>rd</sup> advising option	3
<b>Third Semester 15/17 credits</b>

	7 <sup>th</sup> advising option	3
	8 <sup>th</sup> advising option	3
*AS Requirement of Natural Science or Mathematics Course' not needed if the total credits of Natural Science and Mathematics completed earlier is 15 or more.		

If a student has developmental course work in mathematics or writing, it is highly recommended it be completed in the first semester. A student with developmental course work will need to carry more than 15 credits each semester to complete the degree in two years.

A listing of all general education core courses is located in the Helena College Catalog under the Associate of Science Degree section. The Catalog is located at
