Earn up to $2,120 per week to start!

Love TV shows like “How It’s Made”? See how things are made first hand working in industrial plants throughout the US!

Pay and Perks:

• Potential for high yearly income with the additional benefit of a lot of time off. (avg 10+ weeks time off per year)
• In field an average of 220 days per year
• Full pay for travel to and from job site – portal-to-portal
• Medical, Dental, and Vision insurance
• 401k
• Paid individual hotel room and travel expenses while on the job including per diem to cover food
• Opportunities to develop, learn new skills, and advance your career
• Robust training with OSHA/MSHA certification
• No need to relocate - live anywhere

Requirements besides welding experience:

• Must be comfortable working at heights
• Must be okay with constant travel
• Must be okay working in extreme conditions both inside and outside
• Crew works 12 hour shifts, including nights and weekends (opportunities for extra holiday pay)
