

## **Night Shift Counselor**

Full Time Regular Full-Time Direct Care  
Helena, MT

Do you want to help protect the joy of childhood and incite change? Are you looking for a career that will give you a strong sense of purpose and is also meaningful and rewarding? Do you want to make a difference in a child and family's life? Then we want to meet you.

Intermountain, a visionary non-profit that has been impacting the lives of children and families in Montana for over 100 years, we are seeking a Night Shift Counselor.

### Overview:

When a struggling, emotionally dysregulated child is unable to maintain in the family, school, and community, a nurturing, family-like atmosphere can be the best setting for stabilization and treatment. Our Residential Program provides professional, integrated, intermediate residential care adapted for the individual needs of each child. The focus is first stabilizing the child and family and then providing a holistic, attainable pathway to improved functioning.

Rooted in a 30 year history of success with a developmental relational approach, Intermountain provides a trusted option. Intermountain offers career mobility and the ability to learn and grow both professionally and personally. Located in Helena, Montana, the campus is centrally located with incredible recreational opportunities right out your back door.
