IV. Important Information

A. Transfer of Credits

This Montana University System (MUS) institution is accredited by the Northwest Commission on Colleges and Universities (NWCCU). For transfer purposes, most accredited institutions will accept credits from the other accredited colleges and universities. Additionally, the MUS utilizes a uniform course numbering system ("common course numbering" or "CCN"). CCN is a cooperative effort among all MUS institutions that facilitates course transfer. Although CCN ensures courses with the same prefix and number will transfer seamlessly from campus to campus, the acceptance of transfer credit for individual *degree programs* is always determined by the receiving institution. Students should contact the institution they plan on attending if they have specific questions about course transferability for a specific degree program.

For information on courses offered throughout the MUS, please visit http://mus.edu/Qtools/CCN/ccn_default.asp and <http://mus.edu/Transfer/MUScore.asp>.

B. Release of Student Information to Parents

A student's higher education record is protected under Montana Law and the Family Educational Rights and Privacy Act of 1974. The release of student information to a student's parents, by either the high school or the college, will be governed by the State and Federal laws governing those separate institutions. As a result of such laws, the college will not release academic information to a student's parents without the student's express written consent.

C. Dropping Courses

Once you have registered for any course(s), and then find you must adjust your schedule by dropping a course, you need to complete drop form (drop & refund deadlines will apply). If you need to drop ALL your courses (even if it is only one course) you may need to complete additional forms to finalize total withdrawal from the institution.

- If you are registered in a dual credit course, these forms must be signed by a high school counselor.
- If you are under the age of 18, a home school student, and registered in a college-credit-only course, these forms must be signed by a parent/guardian.

IMPORTANT! If you are enrolled in a dual credit course at the high school and drop the high school course, you must also drop the college course.

Drop forms are located at http://www.helenacollege.edu/registration_transcripts/forms/DROP%20form%203-26-2020.pdf

D. Access to Grades

Grades will be available through the College's online student information system (Student Portal: MyHC) using their NetID. You can access the system by clicking on www.helenacollege.edu. See instructions on how to Activate your NetID using your Student ID number. For dual credit courses, grades are also available through the high school.

E. Transcripts

You may access unofficial transcripts through the College's online student information system (Student Portal: MyHC) using your NetID. You can access the system at www.helenacollege.edu. You may also request official transcripts by contacting the Helena College Registrar's office at 406-447-6909. Instructions can be found at: http://www.helenacollege.edu/registration_transcripts/transcriptrequests.aspx. Transcript fees will apply.

F. Payment of Dual Enrollment Costs

Payment of all dual enrollment costs (tuition, course fees) is required. Due to the statewide One-Two-Free program, every high school student will receive six free credits. After these six credits, tuition is assessed at 50% of the Board of Regents approved rate and is due at the start of the term of enrollment. In addition, students are exempt from all mandatory fees but may be assessed approved course fees. Dual enrollment students are responsible for complying with applicable campus payment policies, procedures and methods.

G. Disabilities

If you have a disability for which accommodations may be necessary, please submit a confidential written request for disability accommodations to Director of Learning Center/Disability Services, 1115 North Roberts Street, Helena, MT 59601, (406) 447-6952.
