

Graduating Class of December 2023

Helena College University of Montana
Associate of Science
Registered Nurse
Student Information and Application

Updated for **FALL 2026 Start**
Application due by **Monday, March 30, 2026 5:00 p.m.**

Revised 1/21/2026

**Applications are subject to change from year to year. It is the student's responsibility to obtain the most current information/application packet prior to applying to the ASRN Program*

OVERVIEW

The Associate of Science Registered Nurse (ASRN) Program is approved by the Montana State Board of Nursing and is accredited through the Accreditation Commission for Education in Nursing (ACEN). Helena College is also accredited by the Northwestern Commission on Colleges and Universities (NWCCU). After prerequisite coursework is completed, the ASRN Nursing Program at Helena College consists of four consecutive semesters. The coursework is competency-based and has the primary goal to prepare graduates with the knowledge, skills, and values to enter the direct care workforce as a Registered Nurse.

EDUCATIONAL PROGRAM

This is a competitive enrollment program. Student cohort size is limited by the availability of lab and clinical space. ASRN Program applications are accepted twice per year in the Spring and Fall, up to 20 students per semester. Applicants are accepted based on the criteria found in this information and application. **Should the number of qualified applicants exceed the available spaces, not all qualified applicants will be accepted.** Nursing skills labs, simulations, and clinical experiences will occur face-to-face primarily in Helena and the surrounding area. There are times when an exception can be made for some clinicals to be arranged in the student's hometown at the discretion of the Director of Nursing.

Students commit to a full week of Class, Lab, or Clinical work each week. This program, while very exciting, is fast-paced and challenging. There are many tests, quizzes, and assignments to complete prior to class/clinical and outside of class time. Students in the Nursing Program should plan for 2+ hours of preparation time, reading, and assignments for each class credit per week. Because of this, students are encouraged to reduce or eliminate outside work if possible.

PROGRAM EXPENSES

ASRN Program students will be required to purchase textbooks, software resources, personal equipment, supplies, uniforms, pay any associated student tuition and course fees, and pay for transportation to clinical sites. Students will need a reliable computer with a camera and microphone, and access to reliable high-speed internet, a stethoscope, and a pulse oximeter. Accepted students must complete a background check prior to the start of the program. Information on the correct background checks and access to the background check platform will be sent upon acceptance into the program. If needed, students should begin planning early by completing the Free Application for Federal Student Assistance (FAFSA) and arranging for financial aid to meet their educational needs.

EQUAL OPPORTUNITY POLICY

Helena College University of Montana is committed to the provision of equal opportunity for education, employment, and participation in college activities without regard to race, color, religion, national origin, sex, age, marital and family status, physical or mental disability, sexual orientation, or political belief, service in the uniformed services (as defined in state and federal law), and veteran status.

APPLICATION DEADLINES

Applications for admission for **Fall 2026 are due by 5:00 pm on Monday, March 30, 2026.** Incomplete applications may result in disqualification. Helena College is not responsible for any late, lost, or missing information. Please submit completed applications to the Nursing Department in person, by mail, or online with the information below.

ELIGIBILITY FOR ADMISSION INTO THE ASRN NURSING PROGRAM

**All application forms and documents are included in this application packet.*

Step 1: ADMISSION TO HELENA COLLEGE UNIVERSITY OF MONTANA

Students must be admitted to the college **prior to** submission of the ASRN Nursing Program application and be in good academic standing with the institution. No application will be reviewed if the applicant has not applied to Helena College. Please allow yourself time to obtain all **official** transcripts and transfer information from any prior college courses prior to your application, and allow time for the Registrar's Office to review and approve your official transcript and transfer information. Transfer work must be from a regionally accredited institution.

TRANSFER STUDENTS

Transfer Students are required to have their **official** transcripts evaluated by the admissions department prior to applying to the nursing program. Transferability and acceptance of non-core curriculum nursing credits into the Helena College Nursing Program are not guaranteed.

An application to the college may be obtained in one of three ways: 1) by visiting the campus, 2) by calling Helena College (406) 447-6900, or 3) applying online at http://helenacollege.edu/admissions_enrollment/default.aspx

Step 2: PREREQUISITE COURSEWORK

The following courses must be completed prior to admission into the ASRN Program and must be completed with a minimum grade of "C" (not a C-) in each course and a minimum cumulative GPA in prerequisite coursework of 2.75. Applicants may retake two courses (one retake each) for a higher grade. **A maximum of 2 prerequisite retakes are allowed.** The most recent verifiable grade will be used for scoring (even if it is lower).

If you are taking your prerequisites at the time of application, please include proof of current grade with your application. A photo or screenshot is acceptable. Final grade will be verified and you may be excused from the program if the final grade is lower than originally projected, withdrawn, or failed.

Prerequisites	14 credits	
Course Number	Course Name	Credits
BIOH 201	Anatomy & Physiology with Lab	4
M 121	College Algebra	3
CHMY 121	General Chemistry with Lab	4
WRIT 101	College Writing I	3

Step 3: TEAS or NACE TEST

Students applying to the ASRN program are required to take the TEAS test. Arrangements can be made at Helena College Business Office to schedule and pay for this exam in the Testing Center at least 48 hours in advance of your desired test date. The test cost is \$95 per attempt, max of 4 attempts allowed. Study resources and Practice test are available at atitesting.com and in the Helena College Library.

LPNs may take the NLN NACE Fundamentals exam if they have already taken the TEAS test and have score of less than 70, as their entrance exam.

Step 4: PHYSICAL EXAM

Student will be required to complete a physical exam with their healthcare provider within the past 12 months to assure physical readiness and functional abilities required for the program. Forms are required to be submitted with the application. Please use the forms provided on the last pages of the application.

Step 5: APPLICATION AND PROGRAM ENTRY

The ASRN Program prepares graduates to provide direct care to clients, individuals, or groups in a variety of structured settings with clear policies and procedures. Due to limited clinical sites for client care experiences and State Board of Nursing regulations regarding student-to-faculty ratio, the Director and Nursing Faculty will determine acceptance into the program.

Prerequisite coursework must have been taken within the last fifteen years (within the last 5 years for science courses) prior to admission to the Nursing Program to fulfill program requirements.

Exceptions will be considered on a case-by-case basis by the Registrar's Office and may include the discretion of the Director of Nursing. Students may repeat **two** general education courses to achieve a "C" grade or above, prior to the student's admission to the nursing program and courses. A maximum of two retakes will be allowed per prerequisite course. Written permission from the Director of Nursing is required before taking any prerequisite course a third time. If permission is not obtained, the second grade will be used to calculate GPA. Students must obtain a minimum of 2.75 GPA in the prerequisite courses to apply to the ASRN Program.

Admission to the Helena College ASRN Nursing Program is competitive. **Meeting eligibility requirements does not guarantee admission.** The RN program standards and requirements in relation to the grading scale and attendance are stricter and more rigorous than general college requirements, which is necessary to prepare students for the NCLEX RN exam and to ensure graduates are prepared for professional employment in the nursing field.

LPNs INTERESTED IN BECOMING RNs

For applicants currently licensed as LPNs who wish to become an RN, please complete the entire ASRN Nursing Application. LPNs must have completed 12 months of work experience to the ASRN Program. Requests for credit for prior learning will be reviewed by the Registrar's Office and the Director of Nursing.

To be eligible to apply for admission into the ASRN Program, applicants must:

- Apply to Helena College with a complete admissions file. (Please check that you have provided all required documentation before submitting your application.)
- Be in good academic standing with Helena College.
- Have completed all prerequisite coursework with a "C" (not C-) grade or higher, and a minimum prerequisite GPA of 2.75. It is the applicant's responsibility to confirm with the Registrar's Office that transfer courses are equivalent to the program's prerequisites and are transferable to Helena College.
- Print a copy of the TEAS test results with a score of 70% or higher, or the NLN NACE Foundations of Nursing exam with a score of 65% or higher, and attach it to the application.

- Achieve Total calculated application points of 58 or higher for preference admission (see application scoring). Applicants scoring 55-57 may be accepted at the discretion of the Director of Nursing.
- Submit a complete application. (Missing documents may disqualify the applicant.)

Step 5: SUBMITTING YOUR APPLICATION

It is the applicant's responsibility to ensure that all requirements are met by the established deadline. Deadlines, guidelines, and policies apply equally to all students. **Late applications will not be accepted.**

Helena College ASRN Nursing Program does not maintain a waiting list. Applicants must reapply each semester.

<p>TO THE NURSING PROGRAM COORDINATOR: Program Coordinator Nursing Department Room 113 (406)447-6946</p>	<p>BY MAIL: Helena College University of Montana Attention: ASRN Nursing Program 1115 N Roberts Helena, MT 59601</p>	<p>SUBMIT ONLINE: Email to: nursingapplications@helenacollege.edu</p>
---	---	---

NOTIFICATION OF ACCEPTANCE

Students will be notified of acceptance into the Nursing Program via the email provided on the application. Students who have been accepted must respond to the Nursing Department of their intent to accept their admission by the date indicated on the acceptance notification letter. **All future correspondence will be sent to the students' Helena College email.**

Students accepted to the Nursing Program are required to attend the mandatory Nursing Orientation as outlined in the acceptance letter. Students new to Helena College should also plan to attend Helena College New Student Orientation.

NURSING PROGRAM POLICY: STUDENT BACKGROUND CHECKS

To promote patient safety and decrease institutional liability, most clinical agencies require students to have a clear background check before students are permitted in the clinical setting. To meet these requirements, the program **requires that the check be done prior to starting the ASRN Nursing Program.**

- Background checks are done at the student's expense through Verified Credentials. Approximate cost, \$49. Students with background checks that reveal a finding will be evaluated individually to determine whether they will be eligible for clinical placement and state licensure for their respective degree program.
- Students will be given information on the background check upon acceptance into the program. **Do not do this before being accepted into the program.**
- Nursing students are **required** to provide a copy of their background check to the nursing office before the beginning of the semester.

NURSING PROGRAM POLICY: STUDENT IMMUNIZATIONS AND CERTIFICATIONS

Helena College of Nursing is required to comply with the vaccination policies and requirements of our clinical partners for all student clinical experiences. A complete list of vaccinations and certifications can be found on page 7 of the application. A link to submit proof of these vaccinations and certifications will be shared with the applicant after acceptance to the Nursing Program. DO NOT submit immunizations with your application.

Helena College of Nursing cannot guarantee clinical placements for students who are not compliant with clinical agency requirements. **If a clinical agency requires vaccination for its employees, as a student learner, you will not be allowed in the facility for clinical learning unless you comply with the facility guidelines.** Vaccination declinations/waivers are at the discretion of each of the clinical facilities. If you cannot complete clinicals, you will not be able to meet the course learning objectives and, hence, cannot successfully pass the clinical course. There are multiple clinical courses embedded in this program that may be impacted. We are committed to your education and hope that the student's clinical compliance issues can be resolved at a future date. We will make every effort to facilitate your successful re-entry into the Helena College nursing program to complete your degree; however, because of space limitations, we cannot guarantee placement or re-entry at a particular time.

IMMUNIZATIONS/CERTIFICATIONS REQUIRED

Upon acceptance into the program you will receive information on a link to upload the immunizations and certifications below to Verified Credentials. Approximate cost is \$35. Most students can request a copy of their vaccination records from imMTrax in Montana or your local health department or provider's office. <https://dphhs.mt.gov/publichealth/immunization/copyofimmunizationrecord>

- Immunization Records: ****For students unable to locate childhood immunization records titers/boosters are required***
- Childhood immunizations (Polio, DPT, MMR)
- Hepatitis A
- Hepatitis B (series of 3)
- Current Influenza Vaccine (Flu) or signed declination
- Varicella vaccination or titer
- Negative TB skin test, Negative QuantiFERON TB gold, or negative chest x-ray indicating no active disease
- Current BLS with AED for Healthcare providers card (Must be through the American Heart Association or the American Red Cross only with in person skills test. Online only courses not accepted)

DRUG SCREEN

Helena College of Nursing is required to comply with the drug screen policies and requirements of our clinical partners for all student clinical experiences. Not all clinical partners require a drug screen therefore, we will provide information and a link to Verified Credentials for your drug screen only if required by your clinical placements. Individual clinical sites have varying policies regarding placement if the drug screen is positive for marijuana, therefore positive results will be assessed and determined at the time of testing and based on clinical placement. Inability to comply with the outlined clinical readiness requirements may interfere with a student's ability to participate in the nursing program clinical requirements, making the student ineligible to progress in the major.

ADDITIONAL APPLICATION POINTS

Applicants may obtain additional points on the application in the following ways:

- Completion of BIOH211 Anatomy & Physiology II w/Lab grade C or better = 1 point
- Completion of BIOM250 Microbiology with Lab & grade C or better = 1 point
- At least 12 months of work experience as a C.N.A., CMA, Surgical Tech or Military Medic = 1point
 - If claiming work experience, please include verification from a workplace official which includes the name of the official, name and address of the organization, role in which you worked, and duration of time in that role. Military documents will be accepted.
- Academic Degree (1-2 points) – Prior Associate’s = 1 point Prior Bachelor’s or higher = 2 points

ASRN PROGRAM COURSEWORK AFTER FORMAL ACCEPTANCE

Once enrolled in the ASRN Program the courses for the program are required and are laid out in the by semester and must be taken in sequence. A minimum of 78% and a letter grade of “C” in all courses each semester is required in order to progress to the next semester.

For A&P II, Psychology, Sociology, and Microbiology, grading will be based on the college grading scale.

Semester 1	15 credits	
Course #	Course Name	Credits
BIOH 211	Anatomy & Physiology with Lab II	4
NRSG 230	Nursing Pharmacology	3
NRSG 231	Nursing Pharmacology Lab	2
NRSG 232	Foundations of Nursing	3
NRSG 233	Foundations of Nursing Lab	3
Semester 2	14 credits	
Course #	Course Name	Credits
NRSG 256	Pathophysiology	3
NRSG 234	Health and Illness of Adult Nursing I	3
NRSG 235	Health and Illness of Adult Nursing I Clinical	2
NRSG 236	Health and Illness of the Childbearing Family	2
NRSG 237	Health/ Illness of Childbearing Family Clinical	1
PSYX 100	Introduction to Psychology	3
Semester 3	15 Credits	
Course #	Course Name	Credits
NRSG 244	Health and Illness of Adult Nursing II	3
NRSG 245	Health and Illness of Adult Nursing II Clinical	2
NRSG 254	Health and Wellness of Mental Health Nursing	3
NRSG 255	Health /Wellness Mental Health Clinical	1
NRSG 246	Health and Illness of Child and Family Nursing	2
NRSG 247	Health /Illness of Child /Family Nursing Clinical	1
SOCI 101	Introduction to Sociology	3
Semester 4	14 Credits	
Course #	Course Name	Credits
NRSG 259	Health and Illness of Adult Nursing III	3
NRSG 260	Health and Illness of Adult Nursing III Lab	1
NRSG 261	Health and Illness of Adult Nursing III Clinical	2
NRSG 266	Managing Client Care for the RN	2
NRSG 267	Managing Client Care for the RN Clinical	2
BIOM 250	Microbiology with Lab	4

HELENA COLLEGE NURSING - ASRN APPLICATION

Applicant Information

Full Name: _____
Last First Middle Initial

Address: _____
Mailing Address Apartment/Unit #

City State ZIP Code

Home Phone: (____) _____ Cell Phone: (____) _____

Helena College Student ID: _#770_____

Email wish to use for program acceptance notification: _____

Have you ever attended an LPN or RN Program? Yes No

If yes, where _____

Reason for leaving _____

Have you retaken any prerequisites? (Max of 2 prerequisite retakes allowed) Yes No

If yes, which ones and when _____

- For applicants who have retaken a prerequisite course, the most recent verifiable grade will be used for scoring GPA calculations

Attach the following Completed Documents in this order

- Initial Admission to Helena College – letter of acceptance
- Transfer course acceptance with completed Course Substitution forms (if applicable)
- Proof of prerequisite coursework grades
 - Proof of grades = unofficial copy of transcripts
 - **If currently enrolled** in pre-requisite courses, include proof of midterm or current grade (a picture or screenshot is acceptable)
- Copy of TEAS Test or NLN NACE results - must be taken within the last 5 years
- Credit for prior work experience (if claiming for application points)
- Proof of grades for BIOH 211 A&P II, BIOM 250 Microbiology (if claiming for application points)
- Proof of prior academic degree (if using for application points)
- Completed Physical Exam forms (Part I, Functional Abilities, Part II)

APPLICATION CRITERIA WORKSHEET

Please fill in the chart below to the best of your knowledge. Use the points worksheet on the next page to calculate points.

If you are currently taking a required prerequisite course and will not receive a grade in that course before the application deadline, please indicate your “current” status in the chart below and write your current grade.

As soon as your final grade becomes available, submit proof of your final grade to the Nursing Department to be attached to your application.

Grade points are calculated using the current catalog criteria, which include +/- weights. (i.e., A&P grade of B+ = 3.3 x 4 course credits = 13.2). **Grade x Credits = Calculations. Add up all Calculations for the Total Calculation Score. Divide by 14 to get prerequisite GPA.**

(A) = 4 (A-) = 3.7 (B+) = 3.3 (B) = 3 (B-) = 2.7 (C+) = 2.3 (C) = 2

Prerequisite Course	“X” if currently taking	Grade Received or Current Grade	Course Credits	Calculations	*Points Possible
Anatomy & Physiology w/ Lab BIOH 201			4		16
College Algebra M 121			3		12
College Writing WRIT 101			3		12
General & Inorganic Chemistry w/ Lab CHMY 121			4		16
Enter Total Calculation Score (sum of all Calculations)					56
Enter Prerequisite GPA: (Divide total calculated score by 14)					4.0
Enter GPA points earned: (*see table below)					30-50
Enter TEAS or NACE Score:		Enter TEA/NACE points earned: (*see table below)			10-25
Other points earned (*see table below):					1-5
<ul style="list-style-type: none"> • Completed embedded co-requisite courses: <ul style="list-style-type: none"> ○ BIOH 211 (A&P II w/lab): (1 point) ○ BIOM 250 (Micro with lab) (1 point) • Work experience (1 point) • Academic Degree (1-2 points) 					
Total Score: add GPA points + TEAS/NACE points + Other points In case of a tie, we will consider the following criteria: First: Grade in BIOH 201; Second: Grade in CHMY; Third: Veteran Service with proof.				= Total Score	Min. 58 points. Scores of 55-57 may be considered

APPLICATION POINTS

Selection into this nursing program is competitive. To assure you receive credit for all earned points, please have **ALL** documentation attached to your application by the application deadline.

Use this rubric to identify points earned for each category and enter those numbers in the worksheet above. **The minimum number of points eligible to apply is 58 points** to help ensure student success in both didactic testing and the NCLEX-PN exam required for licensure. Meeting the minimum requirements does not guarantee admission into the Nursing Program. **Scores of 55-57 points may be considered.**

GPA points: Prerequisites	TEAS Points:	Other Points: Prerequisites	Other Points: Work Experience (minimum 12 months)	Other Points: Academic Degree
30-50 points	10-25 points	1-2 points	1 point	1-2 points
3.65—4.00 50 3.50—3.64 45 3.25—3.49 40 3.00—3.24 35 2.75—2.99 30	87—100% 25 81—86% 20 76—80% 15 70—75% 10 <70% 0 NLN NACE (for current LPNs only) 85—100% 25 80—84% 20 73—79% 15 65—72% 10 <65% 0	Has taken BIOH 211 A&P II w/Lab and/or Has taken BIOH 250 Microbiology w/Lab	<ul style="list-style-type: none"> • CNA • Med Tech • CMA, Surgical Tech, EMT, Military medic. (Other experience used will be at the discretion of the Director of Nursing. Letter from employer confirming work experience required.)	Prior Associates Degree(s)= 1 Bachelor's or higher = 2

PERSONAL MEDICAL HISTORY: If YES, please provide additional details.

YES	NO	
		Has there been any significant medical illness, injury, or weight loss in the past 12 months?
		Are you taking any medication? If yes, please list:
		Are you under a physician's care for continuing medical problems?
		Have you been an in-patient in a hospital in the last 12 months?
		Have you ever had an accident that resulted in a disabling injury?
		Have you ever had a fractured bone? (list and date)
		Have you ever had a surgical operation? (list and date)
		Any history of a concussion, blackout, fainting, convulsion, recurrent dizzy spells, heat exhaustion/heat stroke?
		Do you wear eyeglasses, contact lenses, dentures, or a hearing aid?
		Do you have any allergies to medications, food, or the environment? (list)
		Are you missing any organs or other body parts?
		Do you have a history of high blood pressure, heart disease, irregular heart rate, palpitations, diabetes, thyroid condition, liver, or kidney problems?
		Any history of sudden death in your family? (under age 50)
		Have you ever failed a physical exam for military service, employment, insurance, or athletic competition?

LIFESTYLE QUESTIONS

YES	NO	
		Do you smoke?
		Do you exercise regularly?
		Do you drink alcohol or take medication to relieve stress?
		Do you have a problem with your weight?
		Do you go for routine medical/dental checkups?
		Have you ever gone for cancer screening?
		Is your immediate family in good health?
		Have you or a member of your family ever been a victim of a violent crime?
		Have you used the emergency room for routine medical problems?

HEALTH INSURANCE: Private Insurance _____ Medicaid _____ Student Health Insurance _____

All information on this physical examination form is confidential and cannot be released without a student's written consent.

The above information is complete and correct to the best of my knowledge. I authorize the release of this information and the results of this examination to Helena College Nursing Department.

HELENA COLLEGE UM - STATEMENT OF FUNCTIONAL ABILITIES

(To be completed by student and reviewed by healthcare provider)

Helena College Nursing Department requires each student to be able to regularly perform the following activities:

1. Stand for long periods of time
2. Work at a fast pace for long periods of time
3. Lift heavy objects (25 pounds or more) three or more times a day
4. Speak clearly and distinctly
5. Respond appropriately to stressful situations (physically, emotionally, and mentally)
6. Communicate effectively with patients, patients' families, physicians, and staff
7. Hear vital signs with a stethoscope to assess blood pressure, heart rate, and lung, vascular, and abdominal sounds; hear the telephone
8. Hear the patient calling for help
9. Hear beepers, alarms, etc., requiring quick responses
10. Read very fine or small print on medication containers, and read physician's orders
11. See nurse call/emergency light
12. Visually assess the patient appropriately
13. Read monitors and other equipment
14. Demonstrate manual dexterity to don sterile gloves and gown
15. Demonstrate manual dexterity to prepare medications aseptically (i.e., IV, PO, and IM)
16. Demonstrate manual dexterity using sterile technique (i.e., insert catheters, IV, etc.)
17. Demonstrate the ability to utilize equipment needed to carry out patient care
18. Demonstrate the ability to move in small spaces in emergency situation
19. Able to obtain and maintain BLS certification throughout the duration of program attendance

Your signature below indicates that you have read and understand the "Functional Abilities" requirements and can perform them unless otherwise indicated.
