Pathway Advising Notes: This is a Jumpstart Pathway. Courses taken at Helena College will transfer to Montana State University and will satisfy most of the coursework required in the first year of the Civil Engineering degree.

- There are some courses that are offered on the MSU campus only which can be taken after transfer
- M273 Multivariable Calculus and M274 Differential can be taken at MSU.
- A grade of C- or better is required in all MSU Core courses.

Course Advising Notes: M171: MSU required course.

Students not prepared for M171 their first semester should consider taking M151 the summer prior.

CHMY141: MSU required course.

COMX111: MSU required course. Course offered every fall, spring, and summer semester.

M172: MSU required course.

WRIT201: MSU required course. Course offered every fall, spring, and summer semester.

CHMY143: MSU required course.

SOCI101: Can be taken any semester

PHSX220: MSU required course. Course to be taken at Carroll.

BIOB160: MSU required course.

PSYX100: S&PS/H

Course offered every fall, spring, and summer semester.

PHL110: H&FA course.

PHL 110 strongly encouraged but can choose any Humanities/Fine Arts class approved for transfer. Can be taken any semester.

ARTZ105 or LIT110: H&FA course. Recommended courses also offered at MSU. Any H&FA course will meet this requirement for HC.

NASX105: D & CHAI

Course offered every fall, spring, and summer semester.

PHSX222: Take PHYS 206 at Carroll
