Pathway Advising Notes:

The Cosmetology program AAS is a full-time program. To ensure student success, all General Education (listed as term 1) classes are required before enrollment in the Cosmetology core program, which accepts applications in Fall and Spring Semesters. Once enrolled in Cosmetology, students will attend four consecutive semesters to complete all course requirements.

Course Advising Notes:

COSM101 and COSM102 are offered in Spring and Fall Semesters.

Career Notes:

Graduates who obtain their cosmetology license, will be able to work in a salon or spa providing hair, skin and nail services.
