 - Nolan Eggen**, Fire and Emergency Services Instructor
-

Agenda items:

Minutes Review: March minutes were approved with the change of "Agenda" to Meeting "Minutes" as the header.

Current status, incident reports: Kelley stated that there are no incidents to report this month.

Fire Drill, AED training, Fire extinguisher training Feedback:

- The Fire drills on both campuses went smoothly. Both campuses were cleared in under 5 minutes. The new walkie-talkies worked well.
- The AED training on the Donaldson campus only had about 6-7 participants, but Courtney was happy to have these individuals trained. They consisted of a mix of staff, faculty and students.
- For the Fire Extinguisher Training, there was only three participants, but Nolan thought that it went well. We will keep trying for improved numbers.

Emergency response:

- Jason is working to confirm who would get a call if there was an emergency in the middle of the night and if that person would have the authority to get a response out to all students and employees of Helena College.
- We do have an emergency alert system called Re-Group, but it is an opt-in system and isn't really advertised well.
- More discussion will need to be had on this in the future. Jason is going to discuss with Dean Bauman about procedures.

Budget:

- The last bill for installing the remote control for the Donaldson Welcome gate has been received. For a total of \$406.06.

AP campus outside lighting:

- All of the exterior lights have been installed on the Airport Campus.

Security cameras:

- No new updates.

Future Date Discussions:

- o Campus wide safety Trainings-Possibility of a Cyber/internet security training for employees and students. TBD

- Active shooter and stop the bleed training. TBD Tommi is working on Sandy for the fall IDD days.
- Next Meeting: June 27th @ 3:00 at Donaldson Campus.
