• Do not move a seriously injured person, unless they are in an unsafe area.
• Call 911 on any campus phone with the following information:
  Location
  What happened?
  Location of injured?

• Stay with the victim.

DISTURBANCE
If the disturbance is life threatening, CALL 911 IMMEDIATELY.
If you are a victim or witness of a disruptive event:
• Call 6900 from any campus phone to reach a member of the campus Supervisor On-Call Team.
• Provide your name, location and need for assistance. Stay on the phone and follow all instructions.
• Never endanger yourself needlessly or continue to argue with an angry person.
• Stay calm.
• If you can, remove yourself or the targeted person to an office or room and lock the door.
• Acknowledge anger, but calmly ask the disruptive person to leave.
• If the person still will not leave, advise them that the police have been called.

SHELTER IN PLACE
This is a response to a problem or security threat near a campus building.
• If you are inside, remain in the building.
• If you are outdoors, quickly proceed into the closest building, or follow instructions from emergency personnel on the scene.

  • An interior room
  • The lowest level, and without windows or with the least number of windows.
• Listen for further communication through campus clocks.

LOCK DOWN
If the disturbance is life threatening, CALL 911 IMMEDIATELY
A lock-down is immediate action taken in response to an active shooter or other life threatening incident
Call Out – To 911 from a campus phone.
Don’t assume someone else has done it. Tell 911 dispatcher where you are and what you saw.
Hide Out – If you can’t get out, then find a place to hide. Lock the door if you can. Turn out lights and be silent. Put cell phones on vibrate. Don’t peek out – wait for the police.
Keep Out – If the door can’t be locked, then block the door with whatever you can. If the door opens out, then use belts to tie the door to heavy objects.
Spread Out – DO NOT huddle together.
Remain calm and stay focused on survival.
