Mastermind Discussion:

Approve Minutes

• Kelley Turner moved to approve the minutes. Jessie Pate seconded the minutes. Approved.

CARE Update

• The Cabinet reviewed the information.

Student Handbook Review (SB) (Code of Conduct)

• A work-study student reviewed the handbook and provided some practical feedback. Sandy will use the feedback to create a “guide to service” webpage.

• The Cabinet reviewed and approved the revised Student Handbook as the Student Code of Conduct. Marketing will create a cover and the document will be uploaded to the webpage.

• Discussion: Currently, a hearing is required for each Title IX complaint. HC relies on UM to conduct the hearing. In the future, Valerie Curtin is expecting that the Title IX requirements will change in the next year and a complaint will not require a hearing every time.

Access to Success (A2S) Update (SB)

• A2S is changing their model. One instructor will be on the HC campus to help any registered Access student to complete their independent study. The A2S instructor will work from the ABE office suites.

• HC gets two classrooms back, DON 008 and 201. Deb Rapaport will use 201 because 106 will not be available in the fall due to construction.

• The office space upstairs will revert back to HC. There are two offices and a large open area. The stairs may be a drawback for some.

• The space will not be available until the spring semester because there is a lot of furniture, filing cabinets, books, and other items that need to be moved out and rearranged.
  ○ Consider the possibilities.

Parking

• A decision has to be made soon whether to sell the passes for the current amount ($15) or increase the amount, but OCHE has not responded back whether a parking fee increase has to be approved by BOR.
