Appendix A: Resource and Support Services Guide

Non-Confidential Campus Resources

A. CARE Team

The CARE Team is a campus-wide team of appointed professionals responsible for identifying, assessing, and responding to serious concerns and/or disruptive behaviors by students who may threaten the health or safety of the campus community. This team was formerly known as the Behavioral Intervention Team.

B. Accessibility Services

The Office for Disability Equity (ODE) is the campus resource for disability-related information. We provide consultation, training, and academic services to advance accessibility and inclusion by taking an intersectional approach to disability. We commit to reducing the need for separate accommodations by embracing more inclusive strategies and by providing training and support for campus offices on all things disability.
