Welcome to Our Campus

The purpose of this handbook is to provide Faculty members of Helena College with a guide. The handbook will be a useful resource in regards to matters of employment and relevant information about Helena College and its mission. You will be guided with step-by-step written instructions and visual aids. This handbook is not all-inclusive, and suggestions for modifications and/or inclusions are invited. Suggestions may be communicated to the Academic Administrative Coordinator.

You are joining a group of dedicated and knowledgeable faculty supported by a wonderful and helpful team of staff members. We are here to help, and we are pleased that you are part of our team.

Academic Freedom

Academic freedom is important to the fulfillment of the purposes of the Montana University System and Helena College. The welfare and strength of The College and of society at large depend upon the free search for truth and its free expression. To this end The College shall recognize and protect full freedom of inquiry, teaching, research, discussion, study, publication, and, for artists, the creation and exhibition of works of art, without hindrance, restriction, equivocation, and/or reprisal. This right extends to other facets of campus life to include the right of a faculty member to speak on general educational questions or about the administration and operation of The University of Montana, Helena College, and the Montana University System. The right of academic freedom shall be the right of every faculty member whether tenured or untenured. Each faculty member is also a citizen and a member of a learned profession, as well as an employee of an educational institution. When the faculty member speaks or writes as a citizen, the faculty member shall be free from institutional censorship or discipline. When acting as a private citizen, in writing, speech, or actions, the faculty member has an obligation to make it clear that the action, speech, or writing is as an individual and not as a representative of The University of Montana, Helena College, or the Montana University System.
The Office of eLearning expands and complements the programs at Helena College by offering a variety of online and hybrid learning experiences for our diverse student community. As a student taking an online or hybrid course, you will be able to access your online course content through the Moodle course portal available from the Helena College website. Moodle is our online learning management system.

In order to locate your class in **Moodle**, Choose “Portals” (top right), then “Student Portal”:

1. Click on the Moodle icon.
2. Click on 'NetID Login'.
3. Enter your NetID and Password.
4. Click on 'My Courses'.

Once you have accessed **Moodle**, you will find a variety of student resources on the Moodle homepage. The ‘Moodle Tutorial for Students’ course can assist you with learning and navigating Moodle.

Delivery methods using Moodle include the following as outlined in **BOR Policy 303.7**:

- **Program Modality Definitions** (see also **BOR Policy 940.20**)
  
  o **Online Program**: Any academic degree or certificate program in which all of the required coursework can be completed through online delivery.
  
  o **Blended Program**: Any academic degree or certificate program in which 80% or more of the required coursework (but not all) can be completed through online delivery.

- **Course Modality Definitions**
  
  o **Internet or Online** delivery implies that 100% of the course section is offered completely online and delivered asynchronously, with no face-to-face interaction between instructors and students**.
  
  o **Video Conferencing** is characterized by a course section offered through scheduled (synchronous) interactive video, including desktop conferencing.
  
  o **Blended** delivery is designed specifically to be delivered partially online in an asynchronous format and partially through face-to-face (F2F) interaction, typically in the classroom. Both online and F2F interactions are required for the course. This delivery is characterized by the expectation of reduced F2F class meeting time when compared to the equivalent credit classroom course.
  
  o **Hybrid-Flexible** or ‘Hyflex’ delivery is any class section where students may choose to attend either in an assigned face-to-face environment or in an online environment, synchronously or asynchronously.
  
  o **Other Distance** delivery includes courses other than internet/online and interactive video, and may include correspondence courses, tape/DVD delivery, etc.

**Some online classes may require synchronous (e.g. chat rooms, online meetings, webinars, etc.) and/or onsite learning events (e.g. field trips, testing sites, etc.). Contact the instructor for more details on a specific class.**

How to use the Microsoft Email Encryption

The Helena College IT department has found a better solution to the clunky and hard to use ZIXMail encryption program. The replacement is part of the Microsoft email system and is extremely easy to use. The new system is also available to everyone without having to load any special software.

1. Create a new email message to an outside recipient.
2. Within the Subject line or body of the message, simply add the word Encrypt or Encryption. It can even be part of the message, ie:
   a. Subject: encrypt Information on students
   b. This message is to have encryption on it.
3. Along with the message, all attachments are encrypted as well.
4. That is it! When sending to external sources they will receive an email that indicates that the message is encrypted.

Benasky, Ed (Ed.Benasky@HelenaCollege.edu) has sent you a protected message.

Read the message

5. When they click the Read the Message, they get the following. I sent it to Gmail so it is asking about logging in with Google.

Sign in to view the message

Sign in with Google

Sign in with a One-time passcode

Need Help?

6. Internal messages do not need to be encrypted. The system is already secure. If you send an encrypted message to someone within the college, it should just open automatically but have a note that the message was encrypted and recipients cannot remove that encryption.

If you have any problems or questions, please reach out to the IT department and we will be happy to help.

Library Learning Hub (HUB)
The mission of the Helena College Learning Hub is to enable student success in the programs and degrees offered at the College. Professional librarians, along with an Academic Coach and Tutor Coordinator, will achieve this mission by collaborating with the Helena College community, and the Montana library community, in the selection, purchase, and creation of information resources and services; and by providing coaching, tutoring, and information literacy instruction targeted to the curriculum. In addition, the library exists as a quiet place of study and inquiry, fostering the concepts of lifelong learning, intellectual freedom, and cultural enrichment.

Library HUB
The library has a location on each campus. The main library is located in room 140 on the Donaldson Campus. The Airport Campus library is located in the southwest corner of the building and can be accessed through the back hallway. These combined locations house over 10,000 print book titles, one daily print newspaper, more than 41 print magazines and journals reflecting the diversity of programs at the College, and 20 laptops for student use. The OneSearch search box on the library homepage allows users to place requests on books and DVDs from sixteen academic libraries across the state participating in the Treasure State Academic Library Services (TRAILS) consortium. The library also provides access to materials internationally through interlibrary loan. The library website provides full-text online access to articles from periodicals (magazines, journals, and newspapers), reference sources, and scholarly e-books, as well as e-books and digital audiobooks for leisure reading. All electronic resources are available both on and off campus. The library also provides computers for public use, group and quiet study areas, a multi-function photocopier/printer/scanner, and a color printer. A professional library staff member is available during open hours for individual assistance or group instruction. We have a "For Faculty" button on the HUB homepage that describes all services for the faculty. You will also find a Microsoft Bookings link for Library and Research help for faculty and students here.

Tutoring and Academic Coaching HUB
Individualized tutoring is free for Helena College students and is available for most courses. For more information, contact the Library Learning Hub. For courses not covered, or for students needing help outside of the hours offered, online tutoring is available through TutorMe; you will find TutorMe in Moodle. Academic coaching is available to all students to help them develop the skills they need to achieve their goals by providing individual support in the areas of time management and study skills. Appointments may be made for tutoring and academic coaching using Microsoft Bookings Links on the HUB homepage. Tutoring services and academic coaching are located in room 140 of the Library Learning Hub on the Donaldson Campus.

Parking
All employees receive one parking permit free of charge annually and may purchase additional permits for the standard $15 fee. For more questions, contact the Cashier’s Office. Temporary parking permits are available to campus visitors by contacting the Welcome Center receptionist or the Executive Assistant to the Dean/CEO. Moving forward, HC license plates now qualify as a basic campus parking pass. Even if you’re not on campus regularly, investing in an HC license plate is a great cause and supports students’ scholarships. Get yours at a DMV near you!

Field Trips and Student Travel Forms
Student travel is considered college-sponsored if any travel expenses are being covered by Helena College. Helena College will not assume liability or responsibility for participants of any trip that is not college-sponsored. Students taking trips that are not college-sponsored must be informed of that fact in advance. Faculty or staff who violate policy may be subject to disciplinary action, up to and including termination of employment.

All participants in college-sponsored travel must comply with state statute regarding employee travel and Helena College, UM, and BOR policy. The faculty/staff member leading travel should utilize the Student Travel Procedures Checklist to ensure such compliance.

For student travel forms and the checklist, please contact the Academic Administrative Coordinator for more information.

Work Study Positions
Part-time jobs for students with significant financial needs are funded through both federal and state programs.

Many students must work to earn money to pay for their educational expenses. Benefits of the Work-Study Program

- Help pay for educational and other related expenses;
- Encourage community service and work related to the student’s field of study;
- Gain valuable work experience and build relationships on- and off-campus;
- Improve time management, communication, organizational, and budgeting skills;
- Help to further develop the student’s resume and professional experiences;
- Reference or recommendation for future employment; and
- Connect and contribute to College operations, student life, and campus and the local community.

Office Supplies

- Faculty/Academic supplies may be obtained through the Administrative Associate for Academics.
- Supplies may be purchased through vendors with signed supervisor approval. For every purchase, a Purchase Order form is required.
- Supplies must be approved as part of the departmental budget by the corresponding department chair/supervisor. A budget modification must be completed and approved for any purchases not already outlined in the department budget.

Book Adoptions

The online adoption portal is live! You will no longer need to complete tedious spreadsheets or email your book information. Now you can enter your adoptions in just a few minutes (per title) directly with MBS. Below is an updated FAQ and the user-training guide specific to faculty (not campus specific). You can also click here for a YouTube video that will walk you through the process. The system will send you reminders as you have new courses/sections to provide adoptions information. You will also receive reminders as the deadline for adoptions approaches, or passes.

There are a couple of known issues at this time:
- Prior adoptions may not show for all courses and the loading process can take up to 90 seconds. You can still adopt your materials you just have to use the guided path.
- There should be a comment box when adopting OER

Please remember that your book adoption is a binding contract with both MBS and the student, so please choose carefully. Most questions can be answered through the adoption guide and the FAQ. If you still have issues there is embedded support built into the portal. This is what they get paid for, use them if you need them.

You can find the portal on the Helena College website – Employee Portal – Academics
Book Adoptions

Create your own Notes for your classes!

BNC helped Cari Schwen create a way for you to go into the adoption portal and create your own note for your classes.

Once you navigate to your class select ‘add course materials’:

In the box to search for materials type ‘Additional materials available from instructor by ZZDirect:

In the note for bookstore box, please add a note to students telling them that you will provide a link to course materials. Once you have completed that, click the ‘use this book’ button and submit your adoption.
1. **My course doesn’t have an adoption. Am I still required to do anything?**
   a. Yes. You will need to select “I’m not using any materials for this class” on the adoption overview page. Your students will see a message on the virtual bookstore and in the booklist posted on our website letting them know that there are no required texts.

2. **I use open-source materials that are free to my students. Am I still required to do anything?**
   a. Yes. You will still indicate what materials you are using in your course. You will need to select “I’m not using any materials for this class” on the adoption overview page. The click on slider that says, “Are you using Open Education Resources?” Clicking the word “No” will change the slider to green and the word “Yes” will display.

   The virtual bookstore will indicate that students need to acquire their materials from another source. The published booklist on the campus store site will direct them to their materials.

   b. Virtual bookstore

3. **My course has more than one adoption. What do I do?**
   a. If you are readopting from a prior term you should see all of your course materials and you can select to readopt all of them. If you do not see all of your desired materials you can still readopt the title that does appear by submitting it and then select “I’d like to be guided through the adoption process” to adopt additional materials.
   b. If you are adopting all new materials, or your prior adoptions are incorrect or not displaying, select “I’d like to be guided through the adoption process” to adopt your materials. You will submit each material one at a time.

Room & Equinox Car Reservations on Campus

The following information is helpful if you need to schedule an additional room/time for a meeting, exam, or presentation. Any permanent changes to existing classroom assignments must be made through the office of the Assistant Registrar.

REQUEST MEETING SPACE or CAMPUS VEHICLE

You may schedule your meeting through the Event Management System (EMS) portal.

You will need a login specific to EMS in order to use the program. If you use the “request a room” button without logging in, your request does not get flagged as a “priority reservation” and stays in limbo as “pending.” Please contact the Community Education office CE@HelenaCollege.edu to request an account.

The system will not currently allow you to book a room with less than 24 hours’ notice. To book a space with short notice, please contact the scheduler in Continuing Education.

To book the Helena College owned Vehicle – the Equinox, look for it below the Student Center on the Donaldson Campus.
Note: If you are curious about an existing reservation in a space, items marked “Private” are courses for academic credit. The system cannot efficiently display the large number of entries in this category. If the item is not private, you can click on the reservation to see the event name and which general department is the host.

If you are interested in viewing a calendar of non-credit events, on the left side of the EMS screen, select Browse – either events (for a calendar listing) or browse locations (for a grid view of rooms.)
To see event listings for the day or month, go to Meeting Room Availability in the Employee portal.

The default screen is the “Browse by LOCATIONS” screen.

All credit classes are marked “private” so that they do not show up on the calendar page. If they did show here, that page would be so long!

All non-credit events (meetings, CE classes, and special events) do NOT say private. You can click for details - see next image.

Sometimes it would be easier to use the “Browse by EVENTS” screen.
In the “browse by EVENT” or calendar page, MONTHLY LIST is the default. All non-credit class items are listed by time and title. If you click on the item, a booking details screen pops up (similar to the previous illustration.)

Student Life & Wellness

Student Life

Student Life at Helena College encompasses student engagement and wellbeing including the Associated Students of Helena College (ASHC student government), student clubs, campus activities, HC campus pantry, and HC CARE Team. Through non-clinical case management, the Director of Student Life connects students with additional needs to outside resources and community partners. As educators, we know that students who are connected to campus maintain better grades and higher completion rates. Student life provides a physical and conceptual space for Helena College to connect with students and care for them while fostering the development of important skills they will use in their personal and professional lives. Together we can co-construct opportunities for your students that make sense for your program and offer valuable experiential learning. Faculty are encouraged to attend campus events, serve as a club advisor, or engage with student senate through workshops and service. Learn more about connecting your classroom goals to co-curricular activities by emailing Emily.schuff@helenacollege.edu or visiting me in my office located in 104 H, Donaldson Campus.

Report a Student to the CARE Team
The Helena College CARE Team (Crisis Assessment Risk Evaluation) is a multidisciplinary team strategically selected to evaluate reports of concerning student behavior on campus. Our CARE Team is chaired by Emily Schuff, Director of Student; membership includes advising staff, disability resources, student conduct, among others.
The goal of the CARE Team is to proactively address concerning behavior and appropriately intervene as early as possible to connect the student to appropriate resources. Faculty are encouraged to “see something, say something.” Concerning behavior may look like social isolation, a noticeable change in student behavior in class, depression or anxiety, inappropriate classroom behavior, concerning or violent written course material.
Submit a referral to the CARE Team by accessing the reporting form on the Helena College website. CARE Contact: Emily.schuff@helenacollege.edu

Microsoft Bookings
Quick Reference Guide for Faculty and Staff

Microsoft Bookings is an online and mobile app designed to allow students and colleagues the ability to schedule appointments with faculty and staff. Using Bookings, you can set student hours or other specific booking times, duration of appointments, acceptable lead and cancellation times, and automatic notifications of booking changes.

How to set up Microsoft Bookings

Step 1:

1. Go to Apps on the left side of Microsoft Teams.

Type Bookings in the search box, select it, and hit Add.
2. Select **Get started**.

![Welcome to Bookings](image)

*Welcome to Bookings*

Simplify how you schedule and manage appointments.

**Get started**

3. Choose Add a **New booking calendar**.
4. Fill out the form. Keep in mind, the info you enter will appear in appointment emails that go to attendees.

Under the “Business name” field, name the Booking calendar.

**Examples:** “Placement Testing”, “Financial Aid Office”, “Dual Enrollment Advising”, “Appointments with Dr. John Smith”, “HC eLearning & Faculty Development”, etc.

Then click on “Save”.

---

**Step 2:**
1. Visit the Office 365 website at, [https://www.office.com/](https://www.office.com/), and log in with your HC NetID credentials (your hcf # or hce #).

2. Click on the 9-dot menu on top left.

Select and open the Bookings App.
If you don’t see the Bookings app in the menu, you can search for it in the **Search** box on the top.

3. You should be directed to your Bookings setup page.

Or, you might see the following page instead. If so, choose “**Discover calendars**”.

Search for the Bookings calendar you just created. See below for an example:

**Step 3:**

1. Select “Services” on the navigation bar on the left side of the screen to add one or more services. Examples of service could be “Student Hours”, “Academic Advising”, “Placement Testing”, “Tech Help”, “Tutoring”, etc...

2. Select “Staff” in the left-hand navigation to add/remove faculty, staff, students (e.g. work-study), or anyone who will be holding the meetings.

4. Set up your booking preferences (See Setup Overview on Page 8).

5. Select “Save and Publish” (see picture below).

6. Select “Embed” to obtain the hyperlink to direct students to your respective page (see picture below).

7. Share the hyperlink with students.
Adding Custom Questions (Recommended)

Our Bookings and Teams apps are connected. Once an appointment is scheduled on Bookings, a Teams meeting link is automatically generated for that appointment too. Sometimes, it is confusing for students if the meeting is going to be in-person or virtually on Teams.

One good question to add onto your Bookings page is:

How do you want to meet? In person or virtually on Teams?

See below for an example:

Steps to add custom / required questions onto your Bookings page:

1. Go to Services and choose to edit an existing service:
2. Scroll down to the **Custom fields** section, and then select **Modify**.

3. To create a custom question, select **Add a question** from the top of the panel, write your question, and then select **Save**.

4. When the question first shows up in the Custom fields section, it will be turned off. Click on it to make sure the highlighted box around it shows up.

5. To make the question required, tick the **Required** checkbox and students won’t be able to complete the booking until they've answered the required questions.
6. Click **Ok** at the top of the page, and then **Save** the service.

The booking page can be tailored to specific needs and preferences.

ProCard

ProCards enable simplified departmental purchasing by allowing designated UM employees (cardholders) to make appropriate purchases from vendors for the College through a charge card. All lodging, rental cars, and airfare must be purchased using a ProCard. The application must be submitted 6 weeks prior to departure to allow for processing. ProCards may NOT be used in restaurants or to purchase gifts or gift cards/certificates or for personal expenses. For more guidelines, see [http://helenacollege.edu/businessservices/docs/UM%20Procard.pdf](http://helenacollege.edu/businessservices/docs/UM%20Procard.pdf)

To obtain a ProCard Read the UM ProCard Purchasing Procedure manual, complete the UM ProCard Quiz, apply by completing the UM ProCard application with your department supervisor and submit to the Business Office via the Cashier. All documents can be found on the UM Business Services ProCard page at: [http://www.umt.edu/business-services/Employees/Services/Accounts%20Payable/Procard%20Reports.php](http://www.umt.edu/business-services/Employees/Services/Accounts%20Payable/Procard%20Reports.php)

To make ProCard Purchases:

- Complete a Purchase Order for all ProCard purchases [https://www.helenacollege.edu/businessservices/docs/PurchaseForm.pdf](https://www.helenacollege.edu/businessservices/docs/PurchaseForm.pdf)
- If you are responsible for completing the purchase order, but you are not the cardholder, please clearly indicate the name of the cardholder under the item description.
- Billing address: 32 Campus Drive #2304, Missoula, MT 59801
- Upon receipt of the item, attach the packing slip to the purchase order and original itemized receipt and submit to the Business Office via the Cashier.
- If delivery is not expected within a week of purchase, make and retain a copy of the invoice. Submit the original invoice with a Purchase Order to the Business Office via the Cashier, turning in the copies when the item arrives.

Missing ProCard Receipt

If you do not have a ProCard receipt, complete the ProCard Missing Receipt Declaration form located at [https://www.umt.edu/business-services/docs/procardmissing.pdf](https://www.umt.edu/business-services/docs/procardmissing.pdf)

This form is for emergency use only if you are unable to obtain a duplicate receipt. If an individual uses this form twice in a 12-month period, their ProCard will be suspended.

Monthly ProCard Statement

A monthly statement will be placed in your mailbox if you have used your ProCard. It will have the stamp below on the statement. You will need to label each item charged and sign on the Employee line. Your supervisor will then need to approve the charges before you return the statement to Laura Gifreda in the Cashier Office.
Posting Grades

Grades are submitted through MyHC. If you have any questions about how to turn in grades please contact the Registrar’s Office, 447-6909. If you have questions about how to logon you will need to contact IT, 447-6960. Please try to log on before the end of the semester to make sure you are able to do so.

An email similar to the list below will be sent to faculty when the semester is almost over from the registrar’s office. It will note when final grades for the semester are due.

Please read the information below before you turn in your grades:

1. **Please, do not leave a grade blank.** If you are unsure what to select after looking through the options contact registrar’s office or your division chair to make a determination.

2. **If a student earned a grade of "F", through coursework or by not attending, you must include the last date of attendance.** The system is picky about the format of the last date. It must be entered as MM/DD/YYYY for the system to recognize it. Your grades will not be saved if you put in an F without the last date of attendance. Financial Aid uses this date to determine if the student needs to pay back some of their financial aid. Veterans Benefits also needs this date for their reporting.

3. **If a student never attended the class, a grade of "NF" should be assigned.** If the student has ever been to class, even just the first day, please, use option 2.

4. **If somebody is not on your roster, but they have attended class, please send an email to marika.adamek@helenacollege.edu with their grade.** We will contact the student and work on getting them registered.

5. **If you are assigning an incomplete, the attached Incomplete Form must be signed and submitted to the Registrar’s Office.**

**Attendance for Online Classes:**
If a student has logged into Moodle and done anything, i.e. opened a lesson or completed a discussion forum, they have attended. If you have any students that have not even attended or logged into Moodle, you will flag them as never attended. If it is asking for last date of attendance, you should be able to pull that from Moodle reports—it should list the last time a student participated in anything Moodle.

Dual Enrollment / Early College Students

Identifying dual enrollment/early college students who are enrolled in your classes. Why does this matter? It can provide some additional information to you as you are looking at your rosters. Many of you have high school students enrolled in your classes and some have asked how you can identify them. These students are “high school students” but they are enrolled in a college class and should be treated as college students. It is not important that you know who they are, but if you are curious, the document below will help you identify those students. General education faculty have the largest number of dual enrollment students.

If you have a high school student in your class, the Dual Enrollment Coordinator is the academic advisor to that student.

How to Identify Dual Enrollment (High School) Students Enrolled in Your Class

1. Sign into MyHC and choose “Detail Class List” under the Faculty Services tab:
2. Select Term:

![Select Term Image]

3. Select the course:

![Select CRN Image]

4. See the Admit Type/Campus to identify high school students enrolled in your class:

![Current Program Table]
Faculty Liaison Responsibilities

Prior to the start of the fall semester, the Dual Enrollment Coordinator will provide an updated list of the dual credit teachers to Helena College faculty. Over the summer, faculty will be introduced to new teachers via email. These are the responsibilities of faculty liaisons based on NACEP standards:

1. **Onboard new dual credit teachers**
   - Meet in-person or virtually at least once prior to the start of the new teacher’s class.
   - This onboarding prepares dual credit teachers to teach their course(es); builds parity, alignment, and common understanding; and establishes a collegial relationship upon which an ongoing partnership can be built.
   - Follow checklist provided by Dual Enrollment Coordinator with specific topics to address:
     - Course philosophy
     - Curriculum
     - Pedagogy
     - Assessment
   - Teachers are also encouraged to attend a college class to gain familiarity with the college pace/environment and course structure.

2. **Organize and schedule at least 1 discipline-specific gathering for dual credit teachers and Helena College faculty per year**
   - The Dual Enrollment Coordinator will assist in the scheduling and also attend.
   - Zoom/Teams meeting is encouraged, particularly for disciplines, which include teachers from multiple districts.
   - The meeting can happen at any point throughout the academic year, at a time that works best for the majority of participants.
   - Agenda will be created and distributed in advance.
   - These meetings serve a dual purpose: ongoing professional development & rapport building
     - Example topics/format: grade norming exercise, best practice sharing, reporting of any course changes, discussion surrounding a timely topic, guest speaker/tie to professional conference

3. **Be available for questions and to offer support in an ongoing manner throughout the academic year**
   - Dual credit teachers should be given a faculty liaison contact name, phone number, email address by the Dual Enrollment Coordinator Director (in the case of certain departments, it may be more than one person). Each year, the assigned liaison(s) should send an email of introduction/reintroduction.
   - The Dual Enrollment Coordinator will provide support related to grade entry, policies for teaching, college experience-related questions, etc. In contrast, faculty liaisons will provide ongoing support related to course content and methods for student evaluation.
   - Invitations can and should be extended to dual credit teachers for any relevant training or meetings throughout the year. (Advisory boards, certain departmental meetings, etc.)
• Each department is encouraged to establish a shared drive (google, for instance) to act as a repository of sample syllabi, assignments, lesson plans, etc.
