

2024/2025 Montana Chapter Women in Mining Scholarship Information

Women In Mining USA is a nationwide organization of men and women, supporting the mining industry since 1972. WIM USA endeavors to position mining as an equitable, sustainable and reputable industry, and strive to cultivate a mining community that fosters trust and respect. It is WIM USA's belief that mining is essential for a better world and that the industry's success is determined by diversity of future talent.

WIM Montana aims to provide a support network for its member's opportunities to acquire new personal and professional contacts by engaging with their peers across the state along with opportunities for personal development.

WIM Montana is happy to announce the opportunity to provide a **\$1,000 scholarship** to any student currently enrolled in an accredited university in Montana, or any high school senior who will be attending a university in Montana in the 2024/2025 school year.

Scholarship Requirements and Guidelines

In order to qualify for the WIM MT Scholarships, the applicant must meet the following requirements:

1. Currently enrolled, or plan to enroll by Fall 2024, at a university or college in Montana.
2. Have a desire to work in the mining industry after obtaining a degree.
3. Have a GPA of 2.75 or higher.

All scholarship applications and supporting documentation must be received by the scholarship committee no later than **April 30, 2024**. The WIM MT Scholarship Committee will review all completed applications and notify the selected recipient of the award by June 15, 2024. Funds will be mailed by check to the recipient upon notification of scholarship award.

Scholarships are not automatically renewed. Recipients are invited to reapply as long as they continue to meet the application requirements.
