

Create a H5P Activity in Moodle

Tutorial Video:

<https://youtu.be/p7ihJZgZQ4M>

Instructions:

1. Go to the course you want to add the H5P content to in [Moodle](#).
2. Click on the “gear” icon on top right, then choose “**Content bank**”.

You will need to first create the H5P activity file in the Content bank.

You can visit the [H5P website](#) to see the examples of the interactive content that you can create in your Content bank in Moodle.

3. In Content bank, add the H5P interactive content that you want to create:

4. Once the H5P interactive content is created in the Content bank, go back to the course main page, select the section that you want to add the H5P activity and then click "**Create learning activity**"

5. Select **H5P**:

The screenshot displays a grid of activity types in a course management system. At the top, there are tabs for 'All', 'Activities', and 'Resources'. The grid contains the following items:

Activity Type	Activity Type	Activity Type	Activity Type	Activity Type	Activity Type
Assignment	Attendance	Book	Certificate	Chat	Choice
Database	Evolve Link	External tool	Feedback	File	Folder
Forum	Glossary	Group choice	H5P	Interactive Content	Label
Lesson	Library Resources	Open Forum	Page	Pearson MyLab &am...	Questionnaire
Quiz	Screencast-O-Matic	Survey	Turnitin Assignment 2	TutorMe	URL
WebEx Meeting	Wiki	Workshop			

The 'H5P' activity is highlighted with a red box, and a red arrow points to its icon.
