

## Adding McGraw Hill Campus (Connect) onto your Moodle Course

### Steps:

1. Click on the “Create learning activity” link:

2. Add the “McGraw Hill Campus” activity:

3. Fill in the settings (only the ones in the red box below).

Don't forget to hit the “**Save**” button at the end.

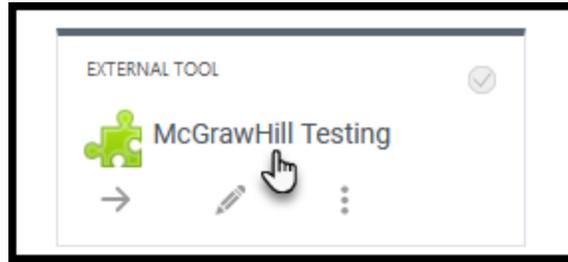

The image shows a Moodle activity settings form. A red rectangular box highlights the top portion of the form, which includes the following elements:

- Activity name:** A text input field with a red asterisk and the word "Required" to its right.
- Activity description:** A rich text editor with a toolbar containing various icons for text formatting (bold, italic, underline, strikethrough, link, unlink, list, indent, outdent, text color, background color, font family, font size, code, undo, redo, source code, fullscreen, print, help) and a text area below it.
- Display description on course page:** An unchecked checkbox with a help icon.
- Display activity name when launched:** A checked checkbox with a help icon.
- Display activity description when launched:** An unchecked checkbox with a help icon.

Below the red box, the form continues with the following fields:

- Select content:** A button.
- Tool URL:** A text input field.
- Secure tool URL:** A text input field.
- Launch container:** A dropdown menu currently set to "Default".
- Consumer key:** A text input field.
- Shared secret:** A text input field with a "Click to enter text" prompt and edit/visibility icons.
- Custom parameters:** A large text area.
- Icon URL:** A text input field.
- Secure icon URL:** A text input field.
- Show less...:** A button.
- Save and return to course:** A button.
- Save and display:** A button.
- Cancel:** A button.

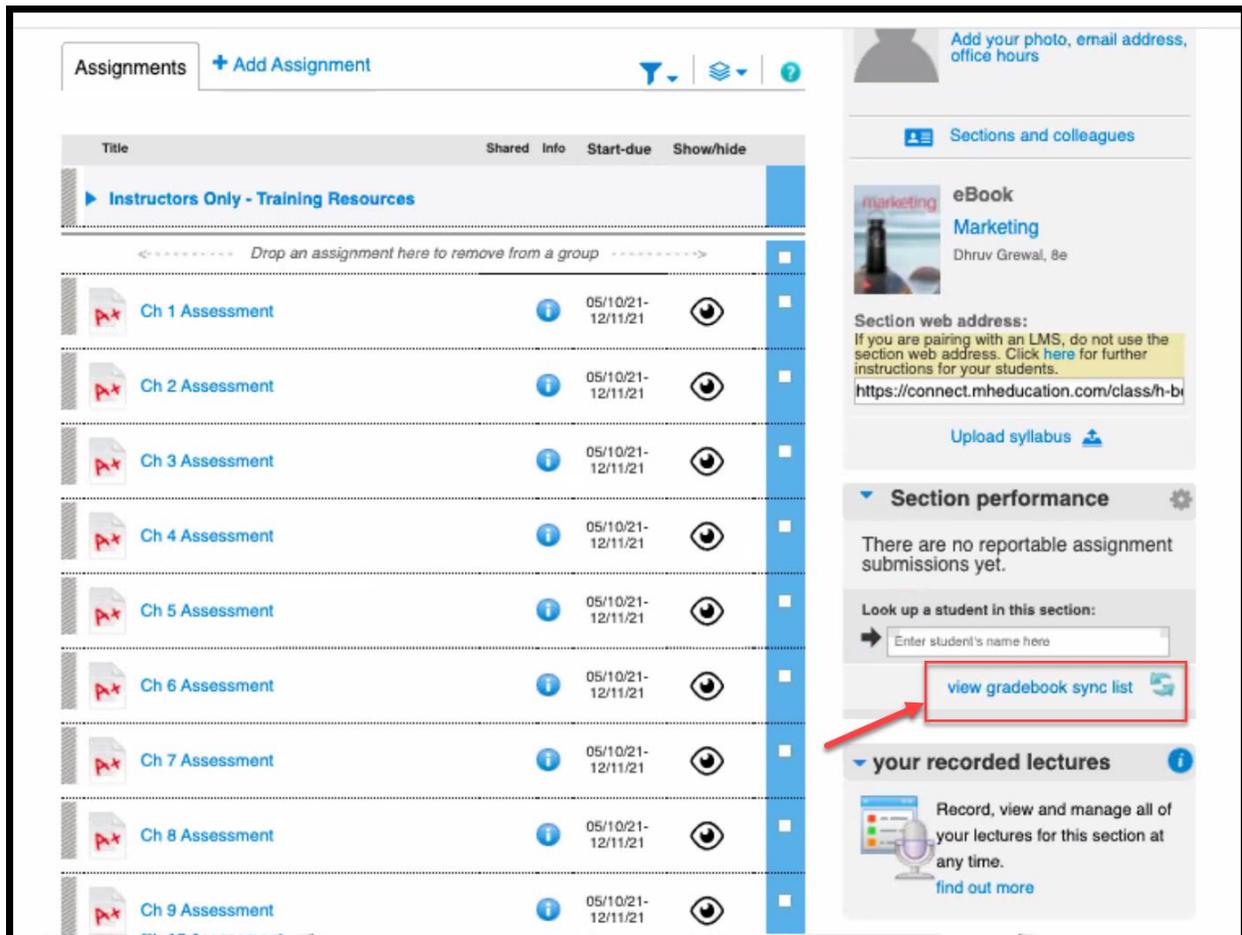

4. The “McGraw Hill Campus” activity link should have been created on the course page. Click on the tool link:

5. Please follow the steps listed in the following PDF document to pair up your course in Moodle with the Connect resources:

<https://s3.amazonaws.com/ecommerce-prod.mheducation.com/unitas/highered/support/moodle-connect-mhcampus-lms-pairing.pdf>

6. If you want to sync the grades in Connect with the course gradebook in Moodle, please click on the “view gradebook sync list” link (see the red arrow below) to choose which grade items you want to sync the grades:

A screenshot of a Moodle course page. The main content area shows a list of assignments under the heading 'Instructors Only - Training Resources'. The assignments are 'Ch 1 Assessment' through 'Ch 9 Assessment', each with a red 'A+' icon, a blue information icon, and a date range of '05/10/21-12/11/21'. The sidebar on the right contains several sections: 'Add your photo, email address, office hours', 'Sections and colleagues' with an 'eBook Marketing' entry, 'Section performance' with a message 'There are no reportable assignment submissions yet.', 'Look up a student in this section:' with a search box and a 'view gradebook sync list' link highlighted by a red arrow, and 'your recorded lectures'.

7. Please share the following resources with your students (for example, post the following link in your course in Moodle):

**First Day of Class / Student Registration Resources:**
