***\*Students must earn a C- or better in order to successfully complete a course.***

This program is offered in a fully online format. Students can choose to take courses in other formats if available. All courses recommended and included on this pathway are offered online.

Pathway shown has 3 4-credit science courses to meet 60 credits needed for degree. If a student takes a 4-credit SPNS course for the H&FA requirement, students do have the option to take one 3-credit science.
