Pathway Advising Notes: The Bookkeeping CAS is a certificate that can be completed in one year. If students are part-time they should look at course options available in the summer to shorten the number of semesters, as many of the courses are offered every summer. This CAS is fully stackable into the Accounting AAS. This course sequence is important for the ACCT and CAPP sequential courses.

Course Advising Notes: CAPP156: Fall only course. Students will need to take CAPP 266 in the spring and it is recommended that they take 156 and 266 sequentially.

CAPP266: Spring only course.
