TOTAL CREDITS		6		

You are finished!

Pathway Advising Notes: This is a 30 credit CAS that is stackable with the Business Technology AAS. This can be completed in a year, but if students want to go part-time, this pathway will work. Summers should be considered for part-time students as there may be courses offered in the summer if students are interested in taking a course or two.

Course Advising Notes: CSCI172: CAPP 156 can be taken as a course substitution, but CSCI 172 is recommended for business students.

CAPP153 or CAPP154: CAPP 153 is offered in the fall and CAPP 154 is offered in the spring. Student can decide to take this course either fall or spring, depending on which course they prefer.
