WRIT101	College Writing I	3		

TOTAL CREDITS 14

**You are finished!**

**Pathway Advising Notes:** M140 College Math for Healthcare can be substituted for M121. Students find that taking the embedded general ed nursing program courses prior to entry into the Nursing Program allows for more effective focus on nursing curriculum.

Applicants to the RN program must take the TEAS test and score 70 or better.

**Course Advising Notes:** none
